Subject: RE: Dewey Burdock Briefing for Shaun

At SLT today, Darcy mentioned that this would be an update meeting for Shaun and the rest of invitees on OPRA's plans. There could be enforcement implications, so let's plan to go to listen. I don't need any info ahead of time.

Thanks,
Suzanne

I have not been involved with this matter, other than knowing that permitting has been working on it for some time. I know that Sarah Tischler, when she was in UIC Enforcement, provided review(s) and comment(s). I don't know, if you have spoken with Darcy about it and if you want a briefing from Douglas' group. Or if you are fine with receiving whatever briefing paper OPRA/OWP puts together.

Art: as placeholder, I asked our secretary to include both you and Suzanne on our 10/4 briefing for Shaun. That invite should be going out later today.
